3. All occupants of a boat must be registered contestants. Guides may be used as long as they are registered contestants.
4. All fish must be caught on legal sport-fishing tackle using artificial baits only. Also snagging, the use of set lines or spearing of a fish is not allowed. All other Wisconsin fishing and boat regulations apply. Motor trolling is permitted where allowed by law but only one line per person, no more than three lines per boat. **NO LIVE BAIT ALLOWED!**
5. The minimum length of fish to be entered from tournament waters is 34 inches. Note that most lakes now have legal minimum size limits of 40 inches. Fish from these lakes may be entered in the tournament even if they are smaller than the lake's minimum, but are at least 34 inches.
6. Fish entered in the tournament must be measured and released ALIVE in the presence of at least TWO witnesses, of which one person must be **OUTSIDE** the contestant's boat and party. Non-contestants may witness releases to assure quick releases. The witnesses must fill out and sign the release form and fill in the size of the fish. Eight points will be awarded for each 34-inch muskie released plus one point for each additional inch. Fractions will be measured to the nearest 1/2 inch. Example: 34-1/2 inch muskie receives 8-1/2 total points; 41-1/4 inch muskie receives 15 points. Winners will be decided on a cumulative point total.

★ 7. **NOTE! You may not move your boat to go to a witness - they must come to you. When you have caught a fish, you can only use your motor to maintain position. Contestants should fish in sight of other people and have an air horn and flag. In addition, please watch for other fisherman who may need a witness. This rule is to comply with DNR tournament and possession regulations. If a contestant moves his boat, the fish cannot be entered in the tournament. Have a large net and keep the fish in the water!**
